

High quality dairy beverages at a competitive cost

Delivering a delicious balance

Delivering the perfect combination of a rich and creamy flavor with a smooth mouthfeel, **ofi's** instant filled milk powder, **Lactorich Blis**, offers you an affordable solution in applications like milk-based beverages, savory soups, seasonings, sauces and drinking milk.

Beverages
(coffee, tea, hot chocolate, cereal drink)

Savory soups

Seasonings & sauces

Drinking milk

Lactorich Blis amplifies overall taste profiles in a wide range of beverage applications. It is tea and coffee-stable, with no floating particles, and provides a superior whitening effect – just the way your consumers like it.

Designed with retailers and catering services in mind, this milk powder allows brands to deliver quality products at a competitive price point.

Create dairy products that meet your consumers' expectations for both affordability and quality with Lactorich Blis.
